

Is Your Student a Ready Graduate?

IN 2015, THE EVERY STUDENT SUCCEEDS ACT (ESSA)

was passed, which changed the way schools are held accountable. One of the indicators the State now measures when scoring school effectiveness is how prepared a graduate is to enter college or career. Students who meet certain requirements are considered a "Ready Graduate."

WHAT IS AN EPSO?

An Early Post Secondary Opportunity (or EPSO) is a high school course or program that allows a student to gain college credit or industry certification. In order for an EPSO to count, a student must take the applicable exam. MNPS offers industry certification and Advanced Placement exams <u>for FREE</u>—so all students can take advantage of these opportunities.
